### 2023 COACH COMMENT

A second year of basketball/baseball will aid in developing his athleticism. Will see time on the mound and 1B again again this Spring. Should see some good progress on the mound. Could have a big hitting year?

### 2022 COACH COMMENT

Good sized freshman with big bat potential. Should see time at first base as well as on the mound. Freshman year will present opportunities to develop more as a pitcher and fielder.
