### 2023 COACH COMMENT

Danny will see innings on the mound at the Sophomore and JV levels this Spring. Is still showing a good upside and live arm potential. The innings he'll play this year at both levels should set him up for a nice junior year.

### 2022 COACH COMMENT

Danny comes into the program with a lot of innings on the mound from his youth leagues. It may take a few years to see his real potential on the mound. A good glove in the infield and makes good contact at the plate.
